

## Application to join North American Templars International

You will be expected to, fund, fill out and sufficiently pass a criminal background check, you will need to apply for this at your local police force and it called a "Vulnerable Sector Background Check". As we support victims of physical abuse you can understand why all our volunteers must pass a background check. Do not proceed if you have a criminal record or history that involves violence in any way. If your crime did not involve physical violence against a person and can convince us, please proceed. We are not an MC or an RC, we are an Order of Templar Knights who ride and operate within the international Biker Community ...
